Dear Mr. Franzen:

We reviewed a request dated September 19, 1996, from [REDACTED], for a Letter of Map Revision. All required information for this request was received on June 3, 1997. Using the information submitted and the effective National Flood Insurance Program (NFIP) map, we determined the property described below is not located in the Special Flood Hazard Area (SFHA), the area that would be inundated by the flood having a 1-percent chance of being equaled or exceeded in any given year (base flood). This property was elevated by the placement of fill.

Property Description:	Lots 23-27, Mallard Landing Subdivision, as recorded in Instrument No. R96-54358, Book 176, Page 101, filed April 3, 1996 in the DuPage County Recorder's Office
Street Address:	Plainfield Road
Flooding Source:	Wards Creek

This letter revises the above-referenced NFIP map to remove Lots 23-27 from the SFHA. Lots 23-27 are now located in Zone B. Flood insurance coverage for the structure may be available under a low-cost policy (see enclosed document).

An additional enclosed document provides information about Letters of Map Revision. If you have any questions about this letter, please contact Ms. Helen Cohn of our staff in Washington, D.C., either by telephone at (202) 646-3457 or by facsimile at (202) 646-4596.

Sincerely,
